Dear Sir,

You are well aware that our association consisting of around 410 members plying around 8000 to 8500 container carrying and heavy cargo carrying vehicles handling Import and Export cargo to and fro from B.P.T. and J.N.P.T to all the states of India. Our association is very well established and registered under Charitable Trust act vide registration No: F-19873 Dt. 24/02/98 and Co-Operative Society act vide registration No:1524/1996 Dt.20/11/1996. We have our own office in Wadala Truck Terminal and serving our members in trade.

Further most of the members of ours have registered their vehicles in R.T.O. Thane, R.T.O. Pen, and R.T.O. Vashi. All this members needs to pay their tax in respective R.T.O. offices which is time consuming and inconvenient.

It's our members demand since long to have centralized tax collection center in our own office at Wadala Truck Terminal and hence we request you to grant us the permission for tax collection center to collect tax on your behalf from our members.

We are ready to full fill all statutory requirements for the same.

We hope that you will consider our request positively and give us an opportunity to serve our members with your help.

Thanking You,

Yours Faithfully,
